

Michigan Surgeon General's Healthy School Environment Recognition Program

Attention All Michigan Schools!

Dr. Kimberlydawn Wisdom, Michigan's Surgeon General, has established a program to recognize schools that are making significant improvements in their school environment related to healthy eating, physical activity, and tobacco-free lifestyles. A healthy school environment provides clear and consistent health messages, accurate health information, and ample opportunity for application. Your school is invited to apply.

☆ **Applications are available at**
<http://www.mihealthtools.org/healthyschools.asp>

☆ **January 30, 2007**
All applications are due.

☆ **Recognition will be awarded at a Spring 2007 Event. Be a part of the Healthy School Environment Recognition Program!**
